With the latest, most up to date academic material in the industry. Complete the classroom portion of the course at your pace and convenience ANYTIME!

Sign-up through our website:  
**DEEPSIXINTL.COM**

When your ready, call us to schedule your pool and open water dives.

**Weekend Format:** Our most popular class format is conducted over two weekends. You'll complete the class and pool sessions the first weekend and finish open water training dives the following weekend.

**Private Format:** Focused one-on-one attention for individuals or family groups. CUSTOMIZED schedule tailored to your needs. Priv class required for 10-11 year olds

**Weeknight Format:** Complete the classroom knowledge development and pool sessions after work or school Tuesday through Friday. Class starts at 5pm. Dives on the following weekend.

\*\*All formats **include**, pool fees, rental scuba equipment, charter boat fees, certification card and logbook.

\*\*Students provide scuba quality mask, fins (with boots, if needed) snorkel and wetsuit.

\*\*Prior to classroom sessions, please complete all chapters on PADI's e-TOUCH program

Why Deep Six? We're Different, We're Better!  
Here's why:

- Become Qualified, not just Certified
    - PADI e-TOUCH interactive academics with instructor led review
    - 8+ hours of scheduled pool training
