2015 OPEN WATER SCUBA COURSE

Open Water SCUBA Course

Weekend Format: Our most popular class format is conducted over two weekends. You'll complete the class and pool sessions the first weekend and finish open water checkout dives the following weekend.

E-Learning Course: Complete the classroom portion of the course at your pace and convenience. **START ANY-TIME!** Sign-up through our website: **DEEPSIXINTL.COM**

When your ready, call us to schedule your pool and open water dives.

Private Format: Focused one-on-one attention for individuals or family groups. **CUSTOMIZED** schedule tailored to your needs.

Weeknight Format: Complete the

classroom knowledge development and pool sessions after work or school Tuesday through Friday. Class starts at 5pm. Dives on the following weekend.

All formats **include class materials, pool fees, rental scuba equipment, charter boat fees, certification card and logbook.

**Students provide scuba quality mask, fins (with boots, if needed) snorkel and weights.

**Prior to classroom sessions, please watch the DVD, read the book and complete knowledge reviews at the end of each chapter.
